

PEDIATRIC SLEEP, RHYTHMS,
AND MENTAL HEALTH

2024 Retreat Colloquium

August 19 & 20

Smith Buonanno Hall | Brown University

Featuring guest speakers

Philip C. Cheng, PhD,

Catherine Dement Roos, and

Lauren Whitehurst, PhD

Come explore the intricacies of sleep, circadian rhythms, and pediatric mental health through the innovative work of our Center's Investigators, Research Cores, and Summer Research Assistants.
